Location : Auburn Public Library
[Indoors and out, weather permitting]
PIZZA outside at 8:30*

**We invite you to attend this
exciting and informative event**

- PowerPoint presentation to learn how to use the new telescope
- Spacey door prizes will be offered!
- Join experts Jim Zebrowski and John Root from the Aldrich Astronomical Society outdoors after the program to observe the night sky, weather permitting
- All ages welcome!
- Please **register** by submitting from the Library website; call the library; or register at the circulation desk
- Auburn residents 18 years and older may borrow this telescope using their library card

This telescope was donated to the Auburn Public Library by the Auburn Rotary Club in partnership with the Aldrich Astronomical Society, Inc. as part of their Adopt-a-Library Program.

Additional information about the telescope and our solar system is available from the Auburn Public Library website at <http://www.auburnlibrary.org>

Jupiter by astrophotographer Damian Peach on December 30th, 2014.
